A symbol of the continuity of justice services in the County, this landmark was completed in 1868 and is still in use today.

A MESSAGE FROM THE PRESIDING JUDGE AND THE CHIEF EXECUTIVE OFFICER

Welcome to the public website for the Superior Court of California, County of Santa Clara. The Court is committed to providing the highest level of public service, and this website has been designed with that goal in mind. The homepage is your gateway to a wide variety of resources, including location and contact information for each of our courthouses, access to court forms, court rules and fee information, jury duty status, court employment and volunteer opportunities, and many more. This page also serves as a portal to other Superior Court websites, including the Self Service website for self-represented individuals and the Case Information website for inquiries on civil, small claims, family, traffic, probate and criminal/civil appeals cases.

These websites all include search capabilities to assist in locating the desired information. Both the public site and the Self Service site contain links to dozens of community organizations and service providers. The content of these websites is continually updated in order to provide the most current information for users. Certain portions of the websites are interactive—For example, users may enroll in traffic school or sign up for a small claims workshop via links on the Self Service website. The Self Service site is also available in Spanish and Vietnamese language versions.

Thank you for visiting the court's website. We hope that you find it to be a useful and convenient tool to assist you in navigating our complex legal system and answering your questions about court processes. If you have any questions, comments or suggestions regarding any of the court's websites, we encourage you to contact our webmaster by clicking on the "Contact the Court" link at the bottom of the homepage.

Thank you,

Hon. Jamie A. Jacobs-May
