☐ Post an employee near the door to ensure that the maximum number of customers is not exceeded, that all customers are wearing face coverings to enter (except children 6 years of age or under or persons for whom face coverings are medically inadvisable), and that customers comply with other provisions of this Protocol. Ensure that this employee is more than 6 feet away from customers to maintain adequate social distance.
Measures to Maintain Social Distancing (continued)

- Place additional limitations on the number of workers in enclosed areas of the facilities (such as the break rooms) to ensure at least six feet of separation.

- Place per-person limits on goods that are selling out quickly to reduce crowds and lines. Explain:

- Place tape or other markings at least six feet apart in customer line areas inside the store and on sidewalks at public entrances with signs directing customers to use the markings to maintain distance.

- Separate order areas from delivery areas to prevent customers from gathering.

- Minimize exposure between cashiers and customers through social distancing or use of barriers where social distancing cannot be maintained. Describe:

- Increase remote (online and telephone) purchasing, delivery, and curbside pickup service options.

- Instruct staff to maintain at least six feet of distance from customers and from each other, except staff may momentarily come closer when necessary to accept payment, deliver goods or services, or perform a job duty.

- Stagger personnel breaks, in compliance with wage and hour regulations, to maintain adequate social distancing.

- Minimize any in-person meetings and adjust those that are necessary to ensure adequate social distancing.

- All desks or individual workstations are separated by at least six feet.

- Reconfigure, restrict, or close break rooms and other common areas to maintain social distancing.

- Optional—Describe other measures:

  Individuals are assigned in work stations separated by at least six feet whenever possible.

Measures to Prevent Unnecessary Contact:

- Close all public seating areas.

- Prevent people from self-serving any food-related items, including from food bars, bulk-item bins, and shared containers in breakrooms. Discontinue product sampling.

- Do not allow customers to use their own cups or other reusable food containers from home for takeaway.

- Require customers using reusable bags from home to bag their own groceries or prevent use of reusable bags from home. Describe:
Measures to Prevent Unnecessary Contact (continued)

- Provide contactless payment systems if possible.

- Optional—Describe other measures (e.g. providing senior-only hours):
